The Prima Elite is the evidence-capturing device that never fails to provide a first-person point of view. Exhibiting the ability to record video or take high resolution stills, the Prima Elite always offers the most appropriate evidence collecting solution.

The Prima Facie was designed to help law enforcement users maintain a safe and secure chain of evidence. Recorded data can only be downloaded to an authorized computer and internal storage prevents evidence tampering. Use the included docking station to easily download captured files or charge your Prima Facie.

### ICOP® PRO HD Integration

The Prima ELite features seamless integration with Safety Vision's new comprehensive in-car video recorder, the ICOP PRO HD. Users can now capture incidents from multiple points-of-view to form a single visual narrative. This video can then be stored, reviewed, and managed all in the same place using the powerful DVMS PRO software.
